

The highly-touted bi-partisan policy of Gov. C. Mennen Williams has blown up in his face and possibly his entire tax program with it. When the governor promised to veto any gas tax bill exceeding three-fourths of a cent per gallon, Rep. Victor A. Knox (R. Sault Ste. Marie) said Williams "was out of line" and left the executive office.

Speaker of the House Knox had gone on record as favoring a corporation levy. Now he says, "Perhaps not all Republicans feel the same."

Prospects are fading that the legislature will enact any kind of a corporation profits tax.

The Michigan TB sanatorium commission has been instructed to proceed with plans for a 200-bed sanatorium in Kalamazoo. Building program is expected to be limited to \$5,000,000 for TB and \$80,000,000 for mental hospitals.

Twenty senators have demanded that the TB commission also make a 30-day study of state needs at both state and county levels.

Abolition of the Michigan unemployment compensation commission and increases in unemployment benefits have been proposed by the legislature. The measure would raise maximum benefits from \$24 to \$30 per week for unemployed without children. Dependents allowance would rise from \$2 to \$30 up to three.

A single commissioner, to be appointed by the governor, would administer the system. Tom Downs, current chairman, long ago recommended this move.

Michigan's traffic death toll continues at its present rate, more than 2,000 persons will die on state highways and streets in 1951. First two months of this year saw an increase of 28 per cent over that period of last year. All time yearly high was 2,175 in 1937.

Over the entire country production capacity has increased so much that despite the defense program we have surpluses in a number of lines, price cutting in a few and only scattered layoffs.

The Indispensable Man

That any man is indispensable is a myth. It was an idea thrust forth upon the minds of this nation within the last decade but has been proven false.

The actions by the states within the last few weeks has definitely set by law that a President of the United States can serve but two terms. By this same token, no military leader, no matter how brilliant or how experienced, is indispensable.

However, his being dispensed with is an entirely different question. If there is a sound and concrete reason for his removal, removed he should be, if only for the good of the army he commands, let alone the nation he represents. We say that this is not the reason with General Douglas MacArthur. He is a stalwart leader, respected by the orientals, a leader that the United States and United Nations need now more than ever in the Far East. He understands all the facets of the Far Eastern problem, both militarily and socially.

The five star general's removal was received generally with approval in Western Europe the daily newspapers stated. The hot center of the appeasement policy is Western Europe. General MacArthur stands for no appeasement, thus naturally the Western European nations who stand in fear, it seems of their own shadow, are happy over the possibility of "peace in our time" regardless of the cost. His replacement, General Ridgway is without doubt a fine soldier and will earn the respect of those involved in the conflict. The hard part to swallow for Mr. and Mrs. America is the dispensing with a man who so obviously is needed in Japan and Korea as the so-called Far East incident reaches a boiling pitch.

His removal has shocked the nation and given aid and comfort to our enemy, Soviet Russia. Dispensing with men of authority could begin in much better places in our government than with General MacArthur.—R. W. S.

Why not give
your Buick a Break?

Let's see what it means to own a ROADMASTER.

It means, first of all, that you're a shrewd judge of fine manufacture. Nowhere will you find a mechanism more skilfully fitted part to part with scrupulous precision—engineered to stricter standards of fine-car quality—than the deep-framed and durable ROADMASTER chassis.

It means, also, that you possess keen appreciation of everything that makes for unsurpassed performance.

For there's more to this dazzling beauty than its thrilling take-off. There's the surplus of power that you need to make you the master of busy traffic or open road—plus the velvet magic of Dynaflo Drive (at no extra cost, mind you).

There's the level-going luxury of ample roadweight buoyantly balanced on coil springs on every wheel—and the security of brakes specifically engineered for firm control of this great-powered beauty.

Time to HENRY J. TAYLOR, ABC Network, every Monday evening.

When better automobiles are built Buick will build them

But there's still another distinction to being a ROADMASTER owner.

It marks you as one who buys wisely and well. Size for size, pound for pound, feature for feature, few cars can even approach what your dollars will buy in this finest of Buicks.

There's much more to be discovered by a visit to any Buick dealer's showroom.

There's the sumptuous softness of cushions, the custom excellence of fabrics and interior trim, the grace and charm of every line and contour.

So if you've dreamed of sometime owning a car superbly fine, there's no time like the present—and no car like ROADMASTER for making dreams come true.

Equipment, accessories, trim or models are subject to change with

Lansing, Michigan
March 2, 1951.

Frank L. Bond,
Superintendent,
Grayling, Michigan.
Dear Sir:

The School Code requires the approval of your high school by the Superintendent of Public Instruction before you may charge and collect tuition from the boards of education of school districts in which the non-resident pupils attending your high school resides.

We have reviewed the available information concerning your school relating to the instructional program, the application of the state wide professional growth policy to your teaching staff, and the extent to which your school serves the natural community.

Approval of your school for grades 9 through 12 has been granted for the year ending June 30, 1952.

Sincerely yours,
C. L. Taylor,
Deputy Superintendent.

UNSURPASSED in the 1/2- to 2-ton truck field!

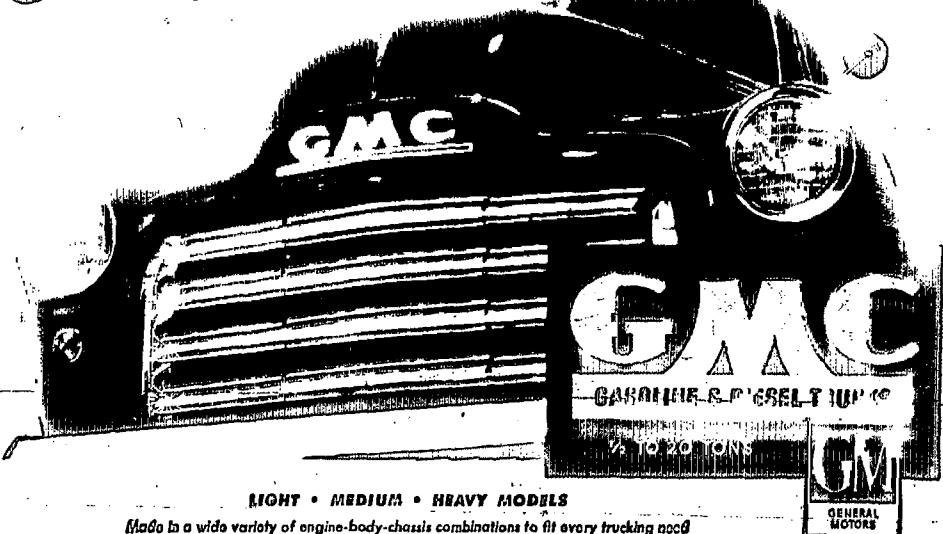

TALK about power! These great new GMC's are unsurpassed in horsepower in the 1/2- to 2-ton field—power to keep hauling years longer! But new engines are only part of the story.

From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models—things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weathersealed "Six-Footer" Cab—Turbo-Top pistons that develop higher power without "knock" even when using standard-grade gasolines!

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know it will take you farther, cost less to run—because it's built to last like the big ones!

Get a real truck!

Orlando, Florida — (Special) — Miss Arlene Mae Laage, assistant to the director of public relations at Florida Southern College, Lakeside, and John Edward Coker, Florida Southern student, were married here at the Reorganized Church of Jesus Christ of Latter Day Saints, Easter Sunday afternoon at 3 o'clock. Elder William P. Martin, pastor, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Max Laage of Grayling, Michigan and Orlando, and the bridegroom is the son of Mr. and Mrs. John H. Coker of Fort Pierce, Florida.

White candelabra holding seven candles were placed on each side of the altar. The bride wore a gown of light green and her bouquet was of gardenias and English ivy.

Miss Quida Fields of Lakeland, SC student, was the soloist. She sang "At Dawning" (Cadmian) and "O Promise Me." Mrs. James Moran was her accompanist and played the traditional wedding marches.

A trio, composed of Mrs. Harlow Frederick, Mrs. Robert Costello and Mrs. Moran, accompanied by Mrs. M. Buchanan, sang Mollette's "Lord's Prayer" immediately following the marriage vows and before the benediction.

Given in marriage by her father, the bride wore a ballerina length gown of nylon lace and net, made by her mother and cousin, Miss Joyce Dorey. The lace bodice featured a stand up collar. The full skirt was of net. She wore a cameo necklace and earring set, gift of the bridegroom. Her bridal bouquet was of gardenias and English ivy.

Miss Margaret Laage, of Alma, Michigan, sister of the bride, was maid of honor. She wore a lavender gown of nylon net and lace, also of ballerina length. Her bouquet was of pink carnations and English ivy woven into ring shape.

Miss Dorey, cousin of the bride, was a bridesmaid. Her gown, like that of the honor attendant, was of light green and her bouquet was identical to that of the other attendant.

Mrs. Laage, mother of the bride, chose a green silk print and wore a pink carnation corsage. The bridegroom's mother, Mrs. Coker, was attired in a lavender silk crepe dress and also wore a corsage of pink carnations.

Ernest Lilley, public relations director at FSC, was best man. Ushers were Julian Dondis, FSC student, and Sydney Dorey of Orlando.

A reception was held on the church terrace following the ceremony. The bride's table was centered with a three-tiered wedding cake.

Those assisting in hospitalities were Mrs. Harlow Frederick, Mrs. Sydney Dorey, Mrs. Marion McFarland and Mrs. H. P. Kelly, all of Orlando. Mrs. Robert Costello, Orlando, kept the bride's book.

Following a wedding trip to the East Coast, Mr. and Mrs. Coker will reside at 1154 1/2 Patten Heights, Lakeland.

Guide To Fishing

By JACK SCHWEIGERT
Roving Reporter

Several weeks ago an article appeared about fishermen throwing cans, bottles, etc., all over the ice on one of our lakes in our County. Real fishermen are known for their sportsmanship and I do not think they alone should get the blame for such a misdeed, as a real fisherman always figures on coming back to fish this spot again and they are not the kind that like to fish in a dump.

One of our leading sports writers agreed that the real fishermen would not do those things, but has never found a way to tell real fishermen from the bogus kind, and if I had any way to confine them he would pass it on our readers. So this is my reply—

THE FISHERMAN

It's not the man that has a Rod.
That cost him quite a sum,
It's not the man that's all dressed up,

Or looks most like a bum,
It's not the man that flips his bait,
On any little spot,
It's the man that has a grateful smile,

If they're biting, or if not.
It's not the man that mixes up,
The fishing with his beer,
It's not the man that's loaded up,
So he can't think things clear,
It's not the man that walks right through,

Your favorite fishing spot,
It's the man that has a grateful smile,

If they're biting, or if not.

It's not the man with no respect,
For anglers on the stream,
It's not the man that throws in cans,

That makes things so unclear,
It's not the man that hooks the fish,
From morn' to the setting sun,
It's the man that smiles, at a half filled creel.

Because he "Fishes just for Fun."

Calvary Church Host To Missionaries

The Calvary Baptist Church is presenting five special speakers from five different missionary fields beginning on Sunday, April 22nd. The talks will be given at the church Sunday through Thursday at 7:30 P. M.

The first speaker will be Mrs. Arthur Somerville from Europe, who will speak Sunday evening. Rev. Karl Luyben, Liberia will speak Tuesday. Richard Mosher, Italy, Wednesday and Rev. Dynes McCullough, Brazil on Thursday evening.

The public is cordially invited to hear these interesting and enlightening talks.

All of the missionaries will speak at Manton on Friday, the time 2:00 and 7:30 P. M. There will be a meal served at the dinner hour.

Come and bring your friends.

DRIVE OUT PLEASED

THE CENTRAL IDEA

Things you'd like to know about your Railroad

Your Railroad's 125th Birthday

SQUIRE WITH A DREAM was George William Featherstonhaugh. On April 17th, 1826...brief months after Britain launched the world's first steam train...he won from the New York Legislature a charter for a railroad between Schenectady and Albany...the start of New York Central!

FIVE YEARS LATER, that pioneering dream came true. The 16-mile Mohawk & Hudson Rail Road was complete. And its first locomotive...the American-built 'DeWitt Clinton'...pulled a trainload of notables over the line, showing them liberally over sparks all the way!

PIONEERING AGAIN, in the 1890's, Central explored new realms of speed and luxury. Its Empire State Express, with Engine 999, set a world's record of 112 1/2 miles an hour. And the Exposition Flyer was the first to link New York and Chicago on a regular, twenty-hour schedule.

THE NEW in New York Central brings the story up to date. Miles of streamlined coaches and all-room Pullmans. Smooth new Diesel-electric power. A fleet of 68,000 new freight cars. A multimillion-dollar program to keep your Railroad 125 years young! For that is the CENTRAL IDEA.

CHURCH DINNER
BIG SUCCESS

Through the splendid co-operation and untiring efforts of a fine group of women as workers the Methodist Circles and the R. L. D. S. Women's department sponsored at the Methodist Church on Wednesday evening of last week a cafeteria style supper. It was a grand success and a neat sum of money was raised for the two churches.

The young people played a large part with their effective service in the dining room, and they too are to be highly complimented. The chairmen extend thanks to everyone. It took all to make such a fine contribution to the community.

Why you should never let your
BLUE CROSS-BLUE SHIELD
membership lapse!

If you're planning to change jobs or terminate your employment for any reason, you can very easily keep up this priceless protection against unexpected hospital and medical bills.

If you go to work for another firm that doesn't make these plans available...

...you can easily continue your membership through the Direct Payment Plan. In fact, as soon as we are informed that you are no longer with your original group, full information on the Direct Payment Plan will be forwarded to you. If you have moved recently, send your new address to Blue Cross-Blue Shield, 234 State Street, Detroit 26.

If you're going to work for another company that makes Blue Cross-Blue Shield available...

...then it's just a question of changing from your old group to a new one. Your new employer will arrange the transfer for you—but be sure to notify him immediately!

As long as your Blue Cross-Blue Shield Membership Card remains in force, you and all enrolled members of your family are protected against unexpected health-care costs.

REMEMBER—accidents and illness could strike in your family tomorrow!

There will be hospital or medical bills in about one out of every four families this year! Such unexpected bills can easily wipe out family savings. Often people have to borrow money in order to meet them.

Your Blue Cross-Blue Shield membership is priceless protection. You're lucky to have it. Don't let it lapse! For further information about retaining your protection write to Blue Cross-Blue Shield in one of these cities.
